- Be incorporated (NA for Businesses)
  - Unincorporated - Application to be auspiced by incorporated organisation
- Is your organisation incorporated?

## Incorporation Details

Please upload a copy of your organisation's Certificate of Incorporation and Organisational Constitution here.

\*\*Incorporation gives your group its own legal identity (the group becomes a 'separate legal entity' from its members) . The incorporated group can enter into contracts, sign a lease, employ people, and sue and be sued.

Incorporated groups are incorporated under law (which can be either state or federal) and report to the regulator responsible for their type of structure, for example the Australian Securities and Investments Commission.

Incorporated groups follow a particular structure, with group rules (or constitution), members, and a governing body (often called a board or committee).

Being incorporated has consequences for people who are going to be on the board or committee of management of a not-for-profit group, as these people have legal duties in their roles.\*\*

**Please provide a short summary of the partnership, project, initiative or activity that you are seeking funding towards? \***

**Word count:**

Must be at least 50 words.

Be descriptive, but succinct. Include a brief summary of who this project is for (i.e. beneficiaries), what you will do (i.e. the activities you will perform), and what effects you expect to result from your activities (outcomes). Go to the Funding Centre's Answers Bank at <https://www.fundingcentre.com.au/answersbank#Qu1> if you need some ideas about how to frame your response.

**What is the need for your partnership, project, initiative or activity? How will your proposal address this need? \***

**Word count:**

Must be at least 50 words.

Tell us why your initiative is needed, and why you believe the activities you propose will produce the outcomes you seek. Provide statistics/evidence (where available) of both the need and the link between the work you will do and the outcomes you seek. ### Beneficiaries and Community Support

**Does this initiative have community support? In particular, do the beneficiary and/or geographic communities affected by this project/program support the activities you are proposing? \***

Yes  No  Don't know  Not Applicable

Evidence of community support is generally highly regarded as projects with community buy-in tend to be more successful.

**Who are the expected primary beneficiaries of this project/program? \***

Please type in the groups or sections of the community you think would benefit from your proposal. These would be considered project beneficiaries. Choose only the group/s that are at the very core of this project/program. If your initiative is open to everyone, choose the first item, 'Universal - no particularly targeted beneficiaries'

**Who is the target audience?**

Hint: Who will be attending your event? What is the target age/demographic? Tell us who you want to see at your event. Is it young adults, families, people between the ages of 25-35, interstate travellers etc.

### Outcomes

**Please tell us about the outcomes you expect to result from this initiative.**

- Skills, knowledge, confidence, aspiration, motivation, (these are generally **immediate** or short-term outcomes)
- Actions, behaviour, change in policy (these are generally **intermediate** or medium-term outcomes)
- Social, financial, environmental, physical conditions (these are generally **long-term** outcomes)

Immediate outcomes occur directly following an activity (e.g. within 1 month); intermediate outcomes are those that fall between the immediate and long-term (e.g. between 1 month and 2 years); and long-term outcomes are those we expect to see years later (e.g. 2, 5, 10 or 50 years after the activity).

If you need more help understanding what outcomes are, read the materials at [www.ourcommunity.com.au/evaluation](http://www.ourcommunity.com.au/evaluation)

**What are the expected outcomes of the project? \***

Word count:

Must be at least 50 words.

Describe three things you want the project to achieve in terms of benefits for participants and/or others (200 words recommended)

**How will you know if these outcomes have been achieved? \***
